  - Working with UIC to refresh the brand story by working on a campaign on a national level by using this questions and USG answers
  - Started by asking a bunch of questions, about UIC as a whole. This questions are going to evolve UIC's story on a national level.
- Suggestions
  - Commuter students struggle to get involved.
  - The UIC experience is heavily influenced by professors' teaching styles.

- UIC's campus layout is ambiguous, and building acronyms can be confusing for new students.
- Pros: Diversity, extensive involvement opportunities, a place for everyone regardless of personality.
- UIC is a great research school, but students are not always informed about research opportunities, especially on West Campus.
- Social media could be a good tool to promote underutilized aspects of UIC.
- UIC should work on highlighting athletics and pre-professional programs like Pre-Vet, which are not well-known.
